New information

Network outage update

- The main cause of yesterday's outage is fixed; assurances by our IT team that the network outage we encountered yesterday should not happen again

- Ran some extra stress tests on the network file system infrastructure, no resulting outage

- Out IT department is monitoring the situation throughout the contest

# QT Creator

Language documentation

Programming language documentation is accessible through browser bookmarks:

Keyboards

- No change of keyboard is allowed
- You can change the keyboard layout yourself if needed using:

```
setxkbmap fr
setxkbmap us
setxkbmap es
setxkbmap ch
      ...
```

Coaches

Coaches

- Coaches may use room B310 or B312 (entrance floor).
- Coaches are invited to participate on

    `https://domjudge.di.ens.fr/`

Coach meeting

You can discuss news from ACM-ICPC and the future of SWERC with us in B310 from 11:00 to 12:00.

Reminders

Personal belongings

- Leave all your personal belongings and electronic devices with your coach

- Teams without coaches may leave their bags in the Secondary Auditorium (Entrance hall).
  The room is not watched but is locked during the contest.

- Make sure you have no electronic device with you!

Behavior

- Talking is only allowed between members of the same team while seated at their desk.

- No talking across teams, or away from your desk (especially in the corridor).

- Don't do anything that jeopardizes the contest: Trying to access the Internet, distract others, etc.

- Do not touch anything before you are instructed to.

- Again: no electronic devices!
  - → Teams with electronic devices will be disqualified!

Questions, comments, feedback. . .

Good luck to everyone!
